Annual Meeting, Chicago, Ill., November 29, 1910.

AMERICAN OXFORD DOWN RECORD ASSOCIATION

The annual meeting of the American Oxford Down Record Association was held in Record building, Chicago, Illinois, Tuesday evening, November 29, 1910.

President Stone in the chair. The Secretary read the minutes of the last meeting, which were approved. The chair appointed a committee to examine the Treasurer's reports, which showed a balance of \$982.26 on hand.

The Secretary reported that the business of the association was steadily increasing and that more Oxfords had been registered during the past year than in any previous year in the history of the Association and more home bred sheep and lambs had competed for the special prizes at State and Provincial Fairs in the United States and Canada in 1910 than ever before. The specials awarded at these Fairs amounted to \$655.00 with one or two states yet to be heard from and that the \$250.00 offered by this Association at the present International had brought out a fine display of Oxfords.

The Secretary reported that some state fairs had not given the Oxford breed as much money as other breeds of sheep and was instructed to notify such fairs that no special prizes would be paid there in 1911 unless the Oxford class was made as good as classes for other sheep and the suggestion was made that each member in these states write their State Fair Secretary in regard to this.

Mr. McKerrow stated that the Oxford Association had done more according to its means in the way of special prizes at Fairs and other shows than any other Record Association in America. And that State and Provincial Fairs should show their appreciation by treating this breed at least as well as others.

The Secretary read a communication from the World Panama Ex. Co., New Orleans asking this Association to pass a resolution endorsing New Orleans as the logical point for such expositions.

On motion the communication was laid on the table.

Communications from the Secretary of the Oregon State Fair asked for an extra appropriation for their semi-centennial state fair in 1911 and from a number of other states and provincial fairs and other shows asking for new specials or continuance of the regular offers.

Mr. McKerrow moved that we appropriate the same amount for specials at state and provincial fairs, the International and Guelph Winter Fair as last year. Namely \$45.00 to each state and provincial fair, \$250.00 at the International and \$55.00 at Guelph and that the pen of lambs get of one at the International be confined to lambs bred and owned by exhibitor, the same as at the fairs.

Mr. DeGarmo seconded the motion. Carried. On motion the Executive committee was empowered to withdraw specials from state and Provincial fairs when their premium lists showed that the Oxford breed had been given less money than other breeds.

Mr. Caven moved that executive committee of this association recommend the Oxford judges at the International and that unless these judges were employed, this association do not pay them. Carried.

Prof. Plumb came before the Association and asked for an extra appropriation for the Sheep Show at the Ohio State Fair in 1911 on account of

the extra effort being made by the Sheep Breeders of that state for a grand show at Columbus.

Mr. McKerrow moved that providing the Ohio State Board would duplicate in addition to the regular premiums the amount offered by this Association our appropriation there be made \$60.00 instead of \$45.00 as at other Fairs in 1911. Carried.

The following officers were elected: President, R. J. Stone, Stonington, Ill.; vice president, I. R. Waterbury, Highland, Mich.; directors for two years: Dr. B. F. Miller, Flint, Mich.; W. A. McKerrow, Pewaukee, Wis.; Secretary and treasurer, W. A. Shafer, Hamilton, Ohio.

Annual Meeting, Chicago, Ill., December 5, 1911.

AMERICAN OXFORD DOWN RECORD ASSOCIATION

The annual meeting of the American Oxford Down Record Association was held in Record Building, Chicago, Tuesday evening, December 5, 1911.

President Stone in the chair.

Owing to other meetings being held at the same time, which some of the members wished to attend, this was a hurried and strictly business meeting.

The Secretary reported that notwithstanding the fact that the sheep trade in general had been dull, Oxford breeders report good sales, and the Association has registered more pedigrees than in any previous year.

\$545.00 has been awarded in special prizes offered by the Association at State and Provincial Fairs this year, and as the Oxford classes at the greatest International and at the coming Ontario Provincial Winter Fair are well filled, the specials offered there will all be awarded, making a total of \$850.00 paid by this Association to Oxford exhibitors at this year's shows.

The Treasurer's report showed a balance of \$934.46 on hand.

Communications from several State and Provincial Fairs and other live stock Expositions in regard to special prizes for 1912 were read, and it was decided to offer the same amount next year as was offered this year, viz: \$250.00 at the International, \$55.00 at the Ontario Provincial Winter Fair, and \$45.00 at each State and Provincial Fair where the Oxford is given as much money in the regular classes as any other breed of sheep, and in addition to these, \$50.00 to the National Midwinter sheep show at Omaha.

Requests were made for specials at State Fairs where the Oxford is not given as much money as other breeds, but these requests were not compiled with because it was not thought advisable to send money to Fairs that did not appreciate the efforts of this Association enough to treat the Oxford as well as any other breed of sheep.

The question of confining the International specials to American breed stock was discussed, and the classification left as it was this year. Only pen of lambs, get of one ram being confined to lambs bred and owned by exhibitor.

The old officers were re-elected. President, R. J. Stone, Stonington, Ill., vice president; I. R. Waterbury, Highland, Mich.; directors for two years: Henry Arkell, Arkell, Ont.; Jno. C. Williamson, Xenia, Ohio; Secretary and treasurer, W. A. Shafer, Hamilton, Ohio.

Adjourned to meet in Chicago during time of International Live Stock Exposition, December, 1912.
